Petrosea Announced as Winner of IDC Future Enterprise Awards 2022 Indonesia

6 October 2022 – PT Petrosea Tbk (PTRO) was awarded the “Best in Future of Operations” and “Special Award for Sustainability” categories in the IDC Future Enterprise Awards 2022 Indonesia which was announced by International Data Corporation (IDC) during the IDC DX Summit & Future Enterprise Awards 2022 ASEAN event on 5th October 2022.

Petrosea was selected out of 1,071 entries received from 707 companies across the Asia Pacific region thanks to its ability to display exceptional planning and implementation of digital transformation initiatives to drive performance.

Now on its sixth year, the IDC Future Enterprise Awards celebrates the tech-enabled resilience of companies as they navigate through the challenges and disruptions in a fast-paced and increasingly digital world. Joining Petrosea as this year’s winners are BioFarma, DBS Bank Indonesia, Bank Danamon, Pupuk Indonesia, Tripatra Engineers and Constructors, Tokopedia, Bank Mandiri, as well as the Ministry of Health of the Republic of Indonesia.

“This award once again proves that Petrosea's strategy to transform its operations through digitalization is the right step to ensure the company's business sustainability,” said Petrosea’s President Director, Romi Novan Indrawan.

Petrosea began its digital transformation journey in 2018 through Project Minerva, which stands for "Mining Engineering and Construction Advanced Analytics", as a strategic step in carrying out the digital transformation of all of its mining operations in order to ensure sustainable superior performance in the years to come. Today, Petrosea has established a digital operating model that has delivered value to all stakeholders with operational, process and business model innovations.
